Thank you so very much for the generous contribution to my campaign for the 20th Senate District from the KS Assoc. of Nurse Anesthetists CRNA PAC! I truly appreciate the support. I am working hard every single day to win this seat. We desperately need reasonable, rational legislators who can work together to meet the challenges we will face next session. I appreciated learning more about CRNA's issues on the zoom call a couple weeks ago. All the best! Brenda

Dear Danielle,

Thank you so much for your support in the upcoming election. I value what you say and what you have to offer. Together, we can make a difference. Being an effective legislator involves listening to constituents, translating their concerns into workable proposals, and building consensus to implement them. I could not do this job without the involvement and openness of the people I represent. I appreciate your trust in me.

Thanks again,

Dear Danielle:

Thank you so much for the $250 donation to my campaign. It is much needed and appreciated! I can assure you it will be wisely spent.

Our state and nation face many difficulties and I am convinced the only hope we have is a return to constitutional and Godly principles. I am humbled by the support I am receiving; financial, spiritual and emotional...all equally important and cherished.

There is much to do, getting through the November election and once I arrive in Topeka. Please pray for our nation, our state and my campaign. Again, thank you for all you do.

In liberty,

Michael "Mike" Murphy
